8) What lesson was the least effective, most difficult to implement and least impactful?

9) Would you implement this curriculum next year? Why or why not?

Tell JWW your class's story. Please answer the following questions (feel free to use extra paper):

- How did you come up with your project?
- What was the project?
- How did you advertise?
- How many people did you get to come to the event?
- What were some of the responses by the participants?
- How much did you raise?
- Is there a specific project you would like to fund?

10) **Please attach a list of all of your students' names!**
